For: A Method For Monitoring Radiology Machines, Operators and Examinations

**SUMMARY OF THE INTERVIEW**

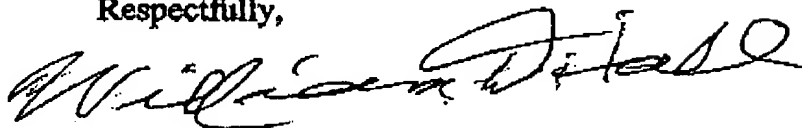

Honorable Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

In response to the office interview dated 12/13/06:

During the interview, Applicant and his attorney gave arguments that closely followed the remarks of the latest amendment. Examiner Porter indication that if Applicant filed a Terminal Disclaimer he would overcome the double patenting rejection. A terminal disclosure was filed.

Respectfully,

William D. Hall  
Attorney for Applicant
